Office of General Counsel

25X1A9A FROM :

SUBJECT: *Principles of Intelligence Production*

*I am returning the material regarding a
copyright license for above mentioned book.
I greatly appreciate your helpfulness and
promptness in this matter.*

*The subject book is the first book in the
history of the world focussed exclusively on the "Principles
of Strategic Intelligence Production". Though stated in general
terms, suitable for the discussion of any Social Science, the
Office of Security refuses to clear it. So there we are!*
